**Monthly Trivia:** Jesse was a chicken plucker. That's right. He stood on a line in a chicken factory and spent his days pulling the feathers off dead chickens so the rest of us wouldn't have to. His dad was actually thought to be mentally ill and treated Jesse rough all of his life and his older brother wasn't much better. Yes, Jesse grew up in a very rough home in West Virginia. Life was anything but easy. It seems that Jesse was always sick. Sometimes it was real physical illness, but way too often it was all in his head. He was a small child, skinny and meek. When he started to school, he was the object of every Bully on the playground. He was a hypochondriac of the first order. But, he had dreams. He wanted to be a ventriloquist. He found books on ventriloquism. He practiced with sock puppets and saved his hard earned dollars until He could get a real ventriloquist dummy. When he got old enough, he joined the military. And even though many of his hypochondriac symptoms persisted, the military did recognize his talents and put him in the entertainment corp. He gained confidence. He found that he had a talent for making people laugh, and laugh so hard they often had tears in their eyes. The history books are full of people who overcame a handicap to go on and make a success of themselves, but Jesse is one of the few I know of who instead used his paranoia to make a million dollars, and become one of the best-loved characters of all time in doing it! Yes, that little paranoid

hypochondriac, who transferred his nervousness into a successful career, still holds the record for the most Emmy's given in a single category. Who is Jesse better known as?

**TOURNAMENT INFO:**

If you had not yet signed up for any committee's please do so! Please see if you or anyone you know can donate or sponsor items for the tournament. We need door prizes, raffle prizes, Goody Bag items and more! See if your company, organization, or your Rich Uncle Milton can sponsor a pair of lanes! Gift Cards for Dinner/Dance door prizes are needed! The more that we can get donated, the bigger and better this tournament will be! The next few meetings are very important, and we urge all members to attend, even if they are not planning to bowl. Committees have formed and we need to proceed forward with all due speed. Also, if you have contacts that can help in merchandise, food prep for the hospitality room, or any other portion, we urge you contact us with this information! We need everyone to be involved to make the 2013 tournament a blast. We will meet with businesses to help get flyers, circulars, coupons, menus and more from the area. Donations are a must to make this the biggest, brightest, best tournament we can possibly hold, Please try to help in any way that you can. Raffle Chairs Norma and Colleen have asked if members could bring in a bottle of Liquor so that we may begin assembling the Liquor Basket for Raffle. We are also looking into getting some Bowling Bags/Balls for Raffles as well. If you have any other ideas or questions, feel

free to contact Tom, Donna or Roger and we will get an answer for you as quick as we possibly can!!

We currently have 3 pairs of lanes sponsored. We have several donated items for door prizes to be given out during bowling. The Goody Bags are coming together, but we still need more! Ask your doctor, ask your banker! Pens, Pads, calendars, whatever we can get is greatly appreciated! Every bag does not need the exact same thing, but we need to try to keep them equivilant!

Please email any of the following Committee Chairs if you are a member of that committee, or wish to join a committee. We will need help from every single member to pull off this tournament!

## FUNNY PAGES AND INTERESTING FACTS

### JOKE OF THE MONTH

Young Ernie and his family were invited to have Easter lunch at his grandmother's house in Monkey's Eyebrow, Arizona. USA. Everyone was seated around the table as the food was being served. When Ernie received his plate he started eating straight away.

'Ernie, wait until we say grace,' demanded his father.

'I don't have to,' the five year old replied.

'Of course you do, Ernest,' his mother insisted rather forcefully. 'We always say a prayer before eating at our house.'

'That's at our house,' Ernie explained, 'but this is Grandma's house, and she knows how to cook.'

### ON THIS DAY IN HISTORY

On April 6, 1980, Post-It Notes were released. The term "Post-it" and the canary yellow color are registered trademarks of 3M. In 1968, Dr. Spencer Silver, a chemist at 3M in the United States, was attempting to develop a super-strong adhesive, but instead he accidentally created a "low-tack", reusable, pressure-sensitive adhesive. For years, he tried to market his invention with no luck, until one of his coworkers, Art Fry, used the adhesive to anchor his bookmark and saw how well it worked on flipping pages when he pulled it use. The rest, as they say, is history!

### Quote of the Month

When we honestly ask ourselves which person in our lives mean the most to us, we often find that it is those who, instead of giving advice, solutions, or cures, have chosen rather to share our pain and touch our wounds with a warm and tender hand. The friend who can be

silent with us in a moment of despair or confusion, who can stay with us in an hour of grief and bereavement, who can tolerate not knowing, not curing, not healing and face with us the reality of our powerlessness, that is a friend who cares."  
— *Henri J.M. Nouwen*

### Trivia Answer:

The wonderful, gifted, talented, and nervous comedian who brought us Barney Fife was....

Jesse Don Knotts.
