Note from Roger:

Because of circumstances that have occurred in the last several months, I am sorry that I have to reenact the following:

- Buzzard sign up recaps may not leave the desk
- Only sign up those who are currently in the building
- Buzzards must sign up – AND BE PRESENT – No later than 1:30.
- Please try to keep to 4 bowlers to a lane – we try to keep all lanes even so that we may all finish our games at the same time.

The reason I must do this is that some people take the recaps to their lanes before I have added the averages and handicaps and do not return them. Also, people have been signed in that do not show up and have to be removed causing a new recap to be filled out. I understand most of you wish to bowl with your normal grouping, but we also have several members that can help fill lanes. Please help us try to fill all lanes evenly.

FUNNY AND INTERESTING FACTS

JOKE OF THE MONTH

This lady is giving a party for her granddaughter, and has gone all out. She had a caterer, band, and a hired clown. Just before the party starts, two bums show up looking for a handout. Feeling sorry for the bums, the woman tells them that they can get a meal if they will chop some wood out back. Gratefully, they head to the rear of the house. Guests arrive, and all is going well with the children having a wonderful time. But the clown has not shown up and she unsuccessfully tries to entertain the children herself. She happens to look out the window and sees one of the bums doing cartwheels across the lawn. She watches in awe as he swings from tree branches, does midair flips, and leaps high in the air. She speaks to the other bum and says, "What you friend is doing is absolutely marvelous. I have never seen such a thing. Do you think your friend would consider repeating this performance for the children at the party? I would pay him \$50!" The bum replies, "Well, I dun no. So he hollers out HEY WILLIE! FOR \$50. WOULD YOU CHOP OFF ANOTHER TOE?"

WOULD YOU BELIEVE?

A man in Ijsselstein, Holland, arranged to descend by crane into his girlfriend's garden and serenade her before popping the Big Question. The crane fell over. He jumped. When people attempted to put the crane back on its wheels, it fell again. A neighbor's roof was bashed in — "the people in the house the crane fell on are deeply shocked," said Jelle Mulder of emergency services — and authorities may order the house destroyed. Be that as it may, the man proceeded with his question and, finally, something went as he wanted. The newly engaged couple, after getting a green light from police, left on vacation.

We worry about what a child will become tomorrow, yet we forget that he is someone today. - Stacia Tauscher

MORON!!

(Provided by This Is True)

Police in Pinellas Park, Fla., were pretty familiar with Dennis Eugene Emery, 57 — they had 34 "contacts" with him in two years, including arrests for domestic battery, aggravated assault, resisting arrest, and leaving the scene of a crash. They were called to his house again after he had a fight with his wife. Officers say that the fight escalated and Emery went and got a gun, and was threatening to shoot one of the family's dogs. As he backed down from that threat, he uncocked the pistol — as it was pointed at his face. He shot himself, and was killed.

Ran'dell Busch, 27, was in serious condition after being shot on July 26 near the corner of 18th Street and Emmet Street in Omaha, Nebraska. He was also shot in 2014 around the intersection of 18th and Emmet, and in 2012 was shot in a scuffle after running from the corner of 18th and Emmet. [WOWT-TV (Omaha), 7-30-2015].
