### What's in A Name?

The game of bowling has a long history, dating back as far as the Egyptians! Here are some interesting facts about the people of bowling.

- Walter Ray Williams is perhaps the most famous Professional Bowling Association (PBA) bowler. He's got the high score and the fan club to prove it.
- Bill Allen was the first bowler to be inducted into the PBA Hall of Fame (1983).
- Earl Anthony is named as the PBA's Greatest Player of the Past 50 years
- Kelly Kulick is the first woman to win a title on the Professional Bowlers Association Tour (2010).

### July Meeting Minutes

The latest meeting of the Houston Buzzard Club was held on July 9, 2017 at Tomball Bowling Center.

Roger Moon handed out winnings from the June gathering.

Donna Castellese started the meeting by announcing that Arlen Deason had been appointed to fill her office of Vice President, which had been left vacant due to her taking the office of President after the resignation of Tom Carlson.

Donna then announced July Birthdays and Anniversaries. Roger presented the Treasurer's Report.

The confirmations for the Annual Buzzard Tournament in Ft. Smith, AR were passed out to the participants.

Martin Arnold's new membership application was approved.

Donna relayed a message from Vickie Carlson, thanking everyone for their wishes, cards and prayers.

A request was made for good thoughts and prayers for several members with illnesses and recovering from surgery.

There being no further business to discuss, the meeting was adjourned to bowl.
