FUNNY PAGES AND INTERESTING FACTS

JOKE OF THE MONTH

A COUPLE was invited to a swanky masked Halloween Party. She got a terrible headache and told her husband to go to the party alone. He, being a devoted husband, protested, but she argued and said she was going to take some aspirin and go to bed and there was no need of his good time being spoiled by not going. So he took his costume and away he went.

The wife, after sleeping soundly for one hour, awakened without pain, and as it was still early, she decided to go to the party. In as much as her husband did not know what her costume was, she thought she would have some fun by watching her husband to see how he acted when she was not with him. She joined the party and soon spotted her husband cavorting around on the dance floor, dancing with every nice chick he could and copping a little feel here and a little kiss there.

His wife went up to him and being a rather seductive babe herself, he left his partner high and dry and devoted his time to the new stuff that had just arrived. She let him go as far as he wished; naturally, since he was her husband. Finally he whispered a little proposition in her ear and she agreed, so off they went to one of the cars and had a little bang.

Just before unmasking at midnight, she slipped away and went home and put the costume away and got into bed, wondering what kind of explanation he would make for his behavior.

She was sitting up reading when he came in and asked what kind of a time he had had. He said, "Oh the same old thing. You know I never have a good time when you're not there."

Then she asked, "Did you dance much?"

He replied, "I'll tell you, I never even danced one dance. When I got there, I met Pete, Bill Brown and some other guys, so we went into the den and played poker all evening. But I'll tell you... The guy I loaned my costume to sure had a real good time!"

S'mores Bark

Ingredients:

- 2 cups milk chocolate chips, or chopped milk chocolate
- 2 cups golden graham cereal
- 1 cup miniature marshmallows

Preparation:

1. Prepare a baking sheet by lining it with aluminum foil. Place the golden graham cereal and the miniature marshmallows together in a small bowl.
2. Place the chopped milk chocolate in a large microwave-safe bowl. Microwave it until melted, stirring after every 45 seconds to prevent overheating. Stir until the chocolate is fluid and free of lumps. Allow the chocolate to cool until it is warm to the touch but no longer hot.
3. Pour half of the golden graham cereal and miniature marshmallows mixture into the melted chocolate, and stir until combined.
4. Scrape the chocolate mixture onto the prepared baking sheet, and smooth it into an even layer. Sprinkle the remaining golden graham cereal and marshmallows evenly on top, and press them gently into the chocolate to adhere them to the surface.
5. Refrigerate the bark until the chocolate is set, for about 30 minutes. Once the chocolate is firm, break it into small, irregular pieces to serve. Store S'mores Bark in an airtight container in the refrigerator for up to 2 weeks.

MORONS

A Florida man thought it was his lucky day when he spotted four 15-pound bundles of pot that had washed ashore near Ft. Lauderdale. The 48-year-old "wacky tobacky" lover reportedly grabbed one of the bundles and started walking away — never noticing that cops had arrived at the scene, where they busted him.
