September Minutes

The latest meeting of the Houston Buzzard Club was held on Sunday, September 11, 2022. Roger started meeting by apologizing about the change of lanes from Diamond to Windfern after discovering that Diamond had double booked the club and canceled at the last minute.

Roger also mentioned updating contact information for all members, as well as getting emergency contact information for members. This was brought up before the sudden change of lanes when one of the officers at DelMar suffered a diabetic episode and an ambulance had to be called for her. We had no way to contact her family to let them know what was going on. We would like to have everyone check the information we currently have, as well as possibly creating an emergency contact, and notifying us if there is any known medical conditions we should be aware of. This information would be helpful in case of emergency, and will not be shared, only to the Officer's Contact pages.

Because of the sudden change of schedule, it was asked of members to please join the Buzzards Club of America – Houston Chapter Facebook group page so that they will be notified in case of emergencies like the changing of the lanes.

September Birthdays and Anniversaries were announced.

New Members voted into club – Bryan Truong and Charles Lemonies.
