Please inform them that if the email is from their place of employment, it may not work because of the spam filter. Home emails work the best. FUNNY AND INTERESTING FACTS

JOKE OF THE MONTH

One day an Irishman, who has been stranded on a desert island for over ten long years, sees an unusual speck on the horizon. "It's certainly not a ship," he thinks to himself. As the speck gets closer and closer, he begins to rule out the possibilities of a small boat, then even a raft. Suddenly, emerging from the surf comes a drop dead gorgeous blonde woman wearing a wet suit and scuba gear. She approaches the stunned man and says to him, "Tell me how long has it been since you've had a cigarette?" "Ten years," replies the Irishman. With that, she reaches over and unzips a waterproof pocket on her left sleeve and pulls out a pack of fresh cigarettes. He takes one, lights it, takes a long drag and says, "Faith and begorah! Is that good!" "And how long has it been since you've had a sip of good Irish Whiskey?" she asks him. Trembling, the castaway replies, "Ten years." She reaches over, unzips her right sleeve, pulls out a flask and hands it to him. He opens the flask, takes a long swig and says, "Tis absolutely fantastic!" At this point she starts slowly unzipping the long zipper that runs down the front of her wet suit, looks at the man and asks, "And how long has it been since you've played around?" With tears in his eyes, the man falls to his knees and sobs, "Oh, Sweet Jesus! Don't tell me you've got golf clubs in there too."

Kaleb Alexander, 25, was shot and killed in October as he emerged from a United Dairy Farmers convenience store in Columbus, Ohio, still with his gun defiantly drawn after he had just then robbed the clerk. A Columbus police SWAT team was waiting outside the store because Alexander had robbed the store the previous two nights, as well, and somehow must have thought that the police would not catch on to his cunning robbery strategy. MORONS!!

(Provided by News of the Weird)

Rezwan Hussain, 29, was sentenced to 11 years in prison for the illegal drugs enterprise he ran from his mother's basement in Rochdale, England. He had apparently avoided detection until March, when the Greater Manchester police arrived to question his brother. Hussain said his brother wasn't home, and they left, but a frightened Hussain ran upstairs and began tossing 500 pounds of drugs out the window in preparation for his getaway. However, police had not yet driven away, and the first bag of a nearly \$5 million stash happened to land right beside their car. [Manchester Evening News, 10-23-2015]

ARE YOU SERIOUS?

(Provided by news of the weird)

In September, Audrey McColm, 25, traffic-stopped in Randolph County, Indiana, for driving "erratic (ally)," became the latest parent ratted out by her child. When Mom denied having been drinking, her daughter, 7, blurted out, "Yes, you have, Mom." McColm registered 0.237, had nearly hit another officer's car head-on, and was so hammered that she "urged" a different officer to "shoot her in the head." [Indianapolis Star, 9-18-2015].
